

Information for International Students / Guests – Public Transport in Budapest and How to Use the BKK App

Dear Guest,

In Budapest, public transport is operated by **BKK (Budapesti Közlekedési Központ / Budapest Transport Centre)**.

You can travel around the city by **metro, tram, bus, and trolleybus**.

Recommended: BKK FUTÁR Mobile App

The easiest way to plan your journey and buy tickets is through the **BKK FUTÁR** mobile application.

Available for download:

- Android: [Google Play Store]
- iPhone: [App Store]
Search for: “**BKK FUTÁR**”

What can the app do?

- Shows the fastest route with a map
- Provides real-time departure and arrival information
- Allows you to purchase tickets and passes using your bank card

How to buy tickets in the app:

1. Open the application
2. Tap on “**Tickets / Passes**”
3. Select the type of ticket or pass you need (e.g. single ticket, 24-hour ticket, weekly pass)
4. Purchase it using your bank card (no need to print, it's a digital ticket)
5. When traveling: scan the **QR code** on board or at metro entrances

Important information:

- Digital tickets become active **2 minutes after purchase**, so please buy them **before boarding**.
- Tickets and passes are **personalized** (for passes, you must enter your name and an ID number).
- Tickets are also available from **ticket machines** or **sales points** (you can pay with cash or card).
